swiss air

powered air-purifying respirator with half mask

Complete TH3/TM3 powered respirator with a ventilated half mask: clean air under light positive pressure, no fit test, suitable for beard wearers.

- TH3 with the fabric half mask, TM3 with the optional tight-fit silicone half mask
- No fit test — the loose-fit half mask also suits beard wearers
- Positive pressure at mouth and nose removes tiring breathing resistance
- Particle filter included; ABE1P, A2P and odour filters available
- With or without control panel, optionally with a spare battery
- Works with the helmet of your choice, independently of other protective equipment

Technical data

Control Panel	No / Yes
Replacement battery	No / Yes
